Company Description:

Gen151 Ventures provides two distinct services. A driver for vehicle delivery (NON-CDL) and cargo/courier services.

As a contracted **vehicle delivery driver,** available through platforms such as **Draiver**. We provide reliable, professional delivery of automobiles, trucks, and other vehicles for dealerships, fleet operators, rental companies, and private owners.

James is also available for private hire by individuals or small businesses who are not registered with Draiver.

As a **freight and courier specialist**, James delivers hot shots, LTLs, or palletized cargo (less than 1000 lbs.), smaller loads, time-sensitive documents, and medical items, contracted through platforms such as **CourierBroker**.

If not booked, James will do after-hours and limited weekend work as well as extended trips within Texas. Check website and Rate sheet for more info.

He also contracts directly with individuals and small businesses not registered with CourierBroker.

Whether you need a trusted driver behind the wheel of your vehicle or a

dependable courier for cargo that simply cannot wait, James Fannin delivers ... literally. Gen151 Ventures Co
