Company Description: Hello, my name is James and I live locally in Reno, NV with 30 years of experience as an RN. I have established an LLC in Nevada specializing in medical-related deliveries and other special cargo transportation. Our services include pharmacy deliveries, large shipments between pharmacies and distributors, lab specimens, confidential documents, and other sensitive items that require the highest level of professionalism and trust. We serve Washoe County, Carson City, Fernley, and nearby communities, and are also available for transportation to neighboring California areas. We are committed to meeting and exceeding your expectations.
