Company Description: SAFFS Trucking & Courier, LLC is a Maryland-based courier company providing secure, professional, and time-sensitive transportation services throughout Maryland and the surrounding region. We specialize in medical courier services, pharmacy deliveries, legal documents, confidential records, small freight, and same-day business deliveries using a reliable 2024 Mitsubishi Eclipse Cross SUV. Our company is committed to professionalism, safety, and regulatory compliance. We hold certifications in HIPAA, Bloodborne Pathogens, and Infection Control, making us well-equipped to transport sensitive medical items and confidential materials. Our owner also holds a Class A Commercial Driver’s License (CDL), a valid DOT Medical Examiner’s Certificate, and a TWIC (Transportation Worker Identification Credential), demonstrating a strong commitment to safety, security, and transportation excellence. At SAFFS Trucking & Courier, we pride ourselves on dependable service, secure handling, and on-time delivery for healthcare providers, law firms, government agencies, businesses, and private clients.
