Company Description: I hope this message finds you well. My name is Michael Crossley, and I own ****PacePro Logistics****, a logistics and courier service based in Orlando, Florida. We transport a wide range of loads, including cargo vans, Sprinter vans, and small box trucks, making us versatile and ready to take on various delivery assignments. With a strong background in logistics and a commitment to timely and professional service, I'm eager to collaborate and support your needs. Please let me know if you have any available opportunities or routes we can help with. I look forward to working together.
