Company Description:

Hutch is Clutch Dispatch & Logistics, LLC, a faith-driven logistics company dedicated to delivering excellence on every route. We specialize in reliable, on-time freight coordination and last-mile delivery services that keep businesses running smoothly.

Founded on integrity, accountability, and service, we believe transportation is more than moving goods — it's about building trust. Our team operates with precision, professionalism, and purpose, representing not only Hutch is Clutch but the higher standard we're called to reflect in every transaction.

From same-day courier runs to consistent contract routes, we move with intention — ensuring every client, driver, and partner experiences a clutch level of care.

Core Services:

- Freight dispatch & load coordination
- Courier and delivery route management
- Dedicated contract support for carriers and brokers

- Client communication and logistics tracking

Core Values:

Excellence • Integrity • Dependability • Faith in Action
