Company Description:

Dimensions US International is a professional expedited transportation and logistics company providing dedicated, same-day, and emergency delivery solutions throughout New York, New Jersey, Connecticut, and beyond.

Our specialties include:

- Aircraft on Ground (AOG) & aviation logistics
- Airport cargo recovery (JFK, LGA & EWR)
- Medical, pharmaceutical & laboratory deliveries
- Time-critical freight
- White glove & dedicated transportation
- Business-to-business courier services
- Last-mile commercial deliveries
- Expedited LTL shipments

Operating a **Ford Transit Sprinter-style cargo van** with capacity for **up to 2 pallets and 2,500 lbs**, we are equipped to handle urgent shipments that demand speed, security, and constant communication.

Our credentials include:

- TSA Security Threat Assessment (STA)
- TWIC Card
- $1,000,000 Commercial Auto Liability
- $100,000 Cargo Insurance
- Airport cargo pickup experience
- Real-time tracking and proof of delivery

We understand that when a shipment is critical, every minute matters. Whether it’s an aircraft part, medical shipment, or emergency business delivery, our mission is simple: **Deliver safely. Deliver quickly. Deliver professionally.**
