Company Description:

D & S Freight LLC | Professional Freight Transportation

D & S Freight LLC is a South Carolina-based freight transportation company focused on providing dependable, professional, and efficient delivery services.

Specializing in local and regional general freight transportation, we prioritize clear communication, careful freight handling, and reliable service from pickup through delivery.

As an owner-operated business, we take a hands-on approach to every shipment, offering responsive communication, flexible scheduling, and personalized attention to our customers' transportation needs.

Our goal is simple: to build lasting relationships through professionalism, accountability, and consistent service.

Based in: Upstate South Carolina
Equipment: 24–26 ft. box trucks, subject to availability
Freight: General freight and palletized shipments

Service Area: South Carolina, with interstate expansion planned pending authorization
